Kenrick Door Systems Limited

Kenrick Door Systems Limited is a leading manufacturer and installer of a wide range of industrial doors and associated equipment, based in the West Midlands operating throughout the country.

Our Service Division is dedicated entirely to providing reactive and planned maintenance of all types of door closing equipment, locks, emergency exit hardware, roller shutters, grilles, fire shutters, barrier gates, automatic doors and access control equipment.

We offer a 24 hour, 7 day service from a single point of contact and each job is handled by the same person from receipt of the order to invoice.
